

OWLKIDS BOOKS

2025 BACKLIST

Welcome to our 2025 backlist catalog!

As always, we have designed this catalog to help you quickly and easily discover great books with topics, themes, formats, and reading levels that meet your needs.

Need books on a specific topic, like STEM or Social-Emotional Learning? Take a look at the subject index. Looking for paperback or board book formats? See the formats index. You'll also find curriculum links, Lexile® measures, and other leveling information listed beside each title.

Recently, we collaborated with an educational consultant to review our books. During the process, we gained new insights into the power of children's books and their effectiveness as teaching tools. For instance, we learned how important it is to use mentor texts to teach literacy skills and achieve specific curricular outcomes in engaging ways. Our curriculum grid can be downloaded at owlkidsbooks.com/resources.

We hope this catalog will serve you well. Thank you for your interest in our books, and happy reading!
